Finance/Stewardship - Tamara and Jenny

We're closer to goal in March 2018 but still more typical ebbs and flows to keep an eye out for
Rick Churan (UM Foundation) presented status of SPUMC accounts and loan (we're #1 for both in WI)
Doug Ayers talked with someone at the UM Foundation about outstanding loan.

Trustees - no rep

Some concern about overage due to winter weather (for snow and salt for each snow event.)

SPRC - Mike Vavrus

Provided update on recruitment for Director of Youth and Young Adult Ministries.
Will be interviewing following Easter

Other - Doug approached Rick Churan (Wellspring considered purchase of SPUMC extra chairs)

Rick shared with Wisconsin Conference and we've got interest
74 total chairs unused, can sell 25. Doug wants some leeway to negotiate price
Gary moved to give Doug \$75-90 range, Paul seconded, motion passed

Doug noted old choir robes at Wesley house (2 sets, some are youth sized)
Paul moved to have Doug offer them to Wisconsin MC, Pat seconded, motion passed.

Doug asked the disposition of foam panels (left from wait for the stained-glass to arrive) used for plays/productions. Check with Livvia about usage, were used for Proud Theatre production

Topic tabled for now while gathering info

Amanda offered to take them if they're not kept for light blockage, to use for VBS to save \$\$

Reconciling - signage of welcome with reconciling logo for the SPUMC sign
Lisa Wink provided a digital mockup as proof-of-concept, Leadership is on board with the proposal.
