

Children's Ministries Guidelines for Reentry following COVID-19

May 2022

-Before each class/group meets:

- All surfaces, including door knobs, must be wiped down by either staff/volunteers.
- All volunteers and staff must sanitize their own hands.

-Upon entering each classroom, children and any other adults that might be staying with them must use hand sanitizer.

-Volunteers/Staff may take the temperature of any child if they appear to be sick.

Parents/guardians will be contacted to pick up their child even if the only symptom is a low grade fever. Those taking temperatures will be encouraged to wear gloves.

-At the end of class, volunteers and/or staff will clean in the following way.:

- All surfaces will be disinfected including chairs, tables, door knobs, clipboards, books, craft supplies, dry erase markers and erasers, etc.
- Garbage will be taken out from the classroom space by the custodial team.
- Garbage and recycling cans will be wiped down by custodians

-If a volunteer, staff, or participant becomes ill following a class they will need to let the church know asap. Staff will determine what information needs to be communicated and to whom based on the information shared in these initial communications.
